

Where It All Connects

TAKE YOUR **BUSINESS**

TO THE NEXT LEVEL WITH
OUR SOLUTIONS AND OWN THE FUTURE

◀ EMBRACE THE FUTURE

If you are ready to take your business to new height, Look no further! At **CodeZone**, we are passionate about empowering businesses like yours with cutting-edge technology and innovative solutions. Whether you're a startup, a growing enterprise, or an established industry leader, our software is tailored to meet your unique needs.

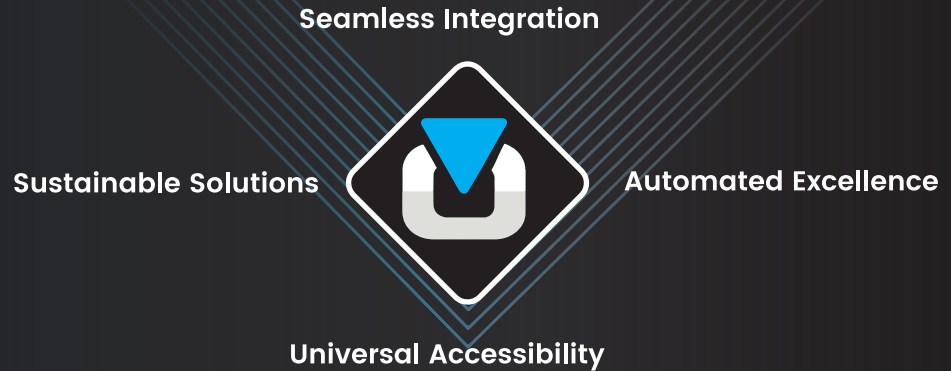

Codezone is a leading Egyptian software company that specializes in developing ERP systems and providing technological solutions for all business sectors. The company was founded in October 2010 and is headquartered in Alexandria, Egypt.

Codezone's ERP systems are designed to help businesses of all sizes improve their efficiency and profitability. The company's solutions are based on the latest technologies and are tailored to the specific needs of each client.

WE ARE TALKING ABOUT

**ENSURING SUSTAINABILITY THROUGH AUTOMATED,
ACCESSIBLE, AND INTEGRATED SOLUTIONS.**

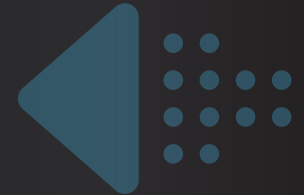

OUR VISION

CodeZone's vision is to become one of the most trusted and recognized leaders in the software development industry across the Middle East within the next decade, distinguished by innovation, quality, and long-term client success.

OUR INNOVATION..
OUR CREATIONS..

HAVE NO END,
KNOW NO LIMITS

OUR MISSION

CodeZone's mission is to empower organizations across all industries in the Middle East to effectively manage the three key drivers of success people, processes, and technology by delivering high-quality, innovative software solutions.

ADVANTAGES OF PURCHASING OUR SOLUTIONS

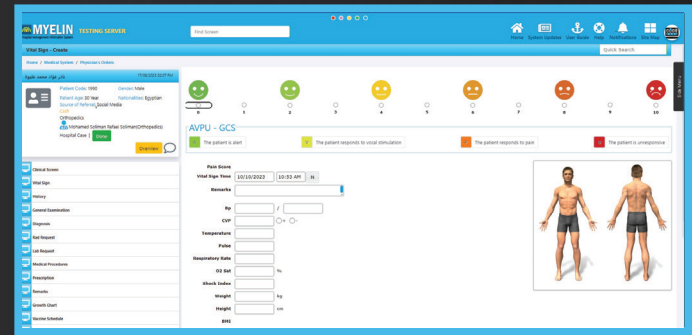

Our ERP solutions are designed to optimize your business operations and provide you with a competitive edge in the market.

Our software and technologies are always being updated in line with the international technological development.

The leaders dashboard will provide you with all of the data you need on a single screen, allowing you to make better decisions.

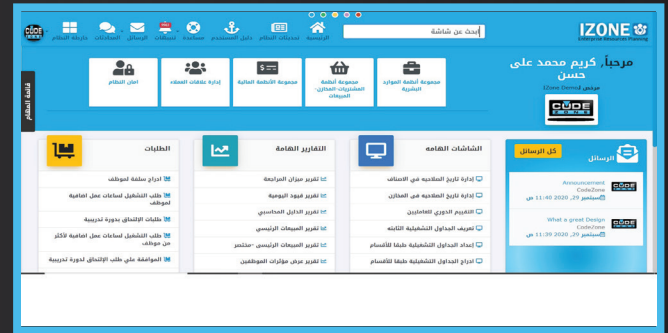

THROUGH OUR SOLUTIONS

Advanced step forward for GAHAR and CBAHI, providing the best clinical, financial, and administrative outcome with the least operational costs.

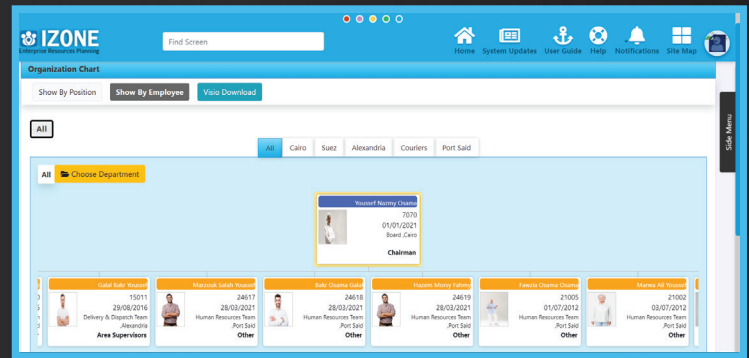

Myelin, Hospital Management Information System
